IN THE MATTER OF THE  
APPLICATION OF CROSS CREEK  
RANCH COMMUNITY ASSOCIATION,  
AN ARIZONA NON-PROFIT  
CORPORATION, FOR AN  
ADJUDICATION OF "NOT A PUBLIC  
SERVICE CORPORATION" STATUS

DOCKET NO.: W-20619A-08-0470

**CROSS CREEK RANCH  
COMMUNITY ASSOCIATION'S  
APPLICATION FOR AN  
ADJUDICATION NOT A PUBLIC  
SERVICE CORPORATION**

**INTRODUCTION**

Cross Creek Ranch Community Association (the "CCRHOA"), an Arizona non-profit corporation, hereby files this Application for Adjudication Not a Public Service Corporation. As the sole shareholder of Cross Creek Ranch Water Company ("Water Company"), the CCRHOA has also filed a concurrent application on behalf of the Water Company for approval of the assignment and transfer of assets, and for a deletion of its Certificate of Convenience and Necessity ("CC&N"), attached hereto as Exhibit 1. The Water Company currently provides water utility service to the CCRHOA members. The purpose of these two applications is to demonstrate to the Arizona Corporation Commission ("Commission") that the CCRHOA meets the test set forth in Decision No. 55568 (May 7, 1987) for a determination that it is not a public service corporation, and

1 that dissolving the Water Company and transferring its water utility assets to the  
2 CCRHOA, as well as deleting its CC&N will serve the public interest.

### 3 BACKGROUND

4 On June 17, 2003, the Commission granted the application of the Water Company  
5 for a CC&N to provide water utility service to the Cross Creek Ranch subdivision, located  
6 in Yavapai County, Arizona. Decision No. 65978 ("Order"). At the time of the Order,  
7 the Water Company was owned by Cachet Western II, LLC ("Cachet II"), which  
8 constructed the Water Company's water distribution infrastructure with paid in capital.  
9 According to the Order, the Water Company planned to serve between 12 and 18 new  
10 connections per year between 2004 and 2008, and at maximum build-out would serve 84  
11 residential customers. Rates and charges were then established on this build-out schedule  
12 on a fair value rate base of \$1,090,660. The minimum monthly charge for a typical  
13 residential 5/8" x 3/4" inch meter was set at \$18.00, and a three-tiered commodity rate was  
14 established beginning at 0 to 4,000 gallons. This rate methodology was designed to  
15 increase the Water Company's revenue each year as more connections were made based  
16 on water usage alone. In order to provide wastewater service to residents in the  
17 subdivision, Cachet II created the CCRHOA to construct and own the wastewater system.<sup>1</sup>  
18 The CCRHOA continues to own and operate this wastewater system in accordance with  
19 all Arizona Department of Environmental Quality ("ADEQ") rules and regulations.

20 Since the Order, the number of water service connections has not increased in  
21 accordance with original estimates. Though all the 84 residential lots have been sold,  
22 there are currently only 13 residential service connections, causing the Water Company to  
23 continue operating at a deficit due to the lack of revenue based on an estimated water  
24 usage of 84 customers. The operation and management of a water company exposes the

25  
26 <sup>1</sup> In the Order, the Commission determined that because the wastewater system would be operated  
as a non-profit corporation, it was not subject to Commission jurisdiction. Order at ¶ 13.

1 CCRHOA and its members to certain fees, taxes and operational expenses associated with  
2 owning a for-profit water utility, which is antithetical to the purpose of a non-profit  
3 organization like the CCRHOA. In addition, the ability of the CCRHOA to flexibly  
4 manage operation and maintenance costs, and to distribute such charges equally among its  
5 members, is tempered by the requirement that any change in rates or charges must first be  
6 approved by the Commission.<sup>2</sup> In situations where investor-owned private water  
7 companies provide water utility service to members of the public, for profit, Commission  
8 jurisdiction and oversight is essential. However, the Water Company is merely an alter-  
9 ego of the CCRHOA, and the Commission has previously determined that Commission  
10 regulation is not necessary in specific situations provided that certain safeguards are in  
11 place.

12 Therefore, on February 23, 2007, the CCRHOA Board of Directors ("Board")  
13 voted in favor of a resolution to amend the Declaration of Covenants, Conditions and  
14 Restrictions ("CC&Rs") to comply with the requirements set forth in Decision No. 55568,  
15 dissolve the Water Company and delete its CC&N. A copy of the minutes reflecting the  
16 Board's resolution is attached hereto as Exhibit 2. In full disclosure to its members, the  
17 CCRHOA sent each a letter on March 28, 2008, explaining the resolution and why the  
18 Board determined the action would benefit its members. A copy is attached hereto as  
19 Exhibit 3. Enclosed with the letter were three documents: (1) the First Amendment to the  
20 Cross Creek Ranch CC&Rs ("First Amendment"), (2) a Notice of Special Meeting and  
21 Ballot Form and (3) a petition to file an application with the Commission ("Petition").  
22 Due to the need to make certain revisions to the First Amendment, the meeting date was

23  
24 <sup>2</sup> Cachet II had been informed during the CC&N hearing that the flexibility it sought towards  
25 water company assessments in the CC&Rs would essentially be lost because the Commission  
26 determines the rates and charges of public service corporations. This was likely a non-issue for  
the developer due to the eventual transfer of the Utility to the CCRHOA once all the lots were  
sold. However, it has become an important issue for the CCRHOA, as addressed in this  
Application.

1 changed and noticed accordingly. A correct copy of the First Amendment is attached  
2 hereto as Exhibit 4.

3 The CCRHOA held a special meeting on May 15, 2008 to vote on the First  
4 Amendment. Any change to the CC&Rs requires at least seventy-five percent (75%) of  
5 the 84 association members – or at least 63 members. The proposal received 73 votes in  
6 favor, and 1 vote against, with 10 absent votes. Voting documents are attached hereto as  
7 Exhibit 5. The First Amendment will become effective once recorded with Yavapai  
8 County, which the CCRHOA intends to finalize upon the Commission's approval of this  
9 application. The Petition was signed by 70 association members, which copies are  
10 attached hereto as Exhibit 6. As a result of the May 15, 2008 meeting, the Board was  
11 given the authority by the CCRHOA members to file this application, and the application  
12 on behalf of the Water Company.

### 13 APPLICATION

14 Pursuant to the Policy Directive established by the Commission in Decision No.  
15 55568, and the standards adopted therein, the CCRHOA respectfully requests that the  
16 Commission enter an order declaring the CCRHOA not a public service corporation.  
17 Decision No. 55568 enumerates seven (7) relevant factors for the Commission to consider  
18 in evaluating this application:

- 19 1) the application must be submitted by a non-profit homeowner's association;
- 20 2) the application is a bona fide request by a majority of the membership of the  
21 association through a petition signed by 51 percent or more of the then-existing members;
- 22 3) all such associations making an application have complete ownership of the  
23 system and necessary assets;
- 24 4) every customer is a member/owner with equal voting rights and that each  
25 member is or will be a customer;
- 26

1           5)     the service area involved encompasses a fixed territory which is not within  
2 the service area of a municipal utility or public service corporation, or if it is, that the  
3 municipal utility or public service corporation is unable to serve;

4           6)     there is a prohibition against further sub-division evidenced by deed  
5 restrictions, zoning, water restrictions, or other enforceable governmental regulations; and

6           7)     the membership is restricted to a fixed number of customers, actual or  
7 potential.

8           *See also* Commission Decision No. 65055 (July 26, 2002)<sup>3</sup>.

9           The CCRHOA is a non-profit corporation incorporated on August 13, 2002.  
10 Attached hereto as Exhibit 7 is a copy of the CCRHOA's Articles of Incorporation, which  
11 complies with requirement No. 1. The Petition is signed by more than 51% of the  
12 CCRHOA's members, and complies with requirement No. 2. Attached hereto as  
13 Exhibit 8 is the CCRHOA's original CC&Rs. Once recorded, the modifications contained  
14 in the First Amendment will bring the CCRHOA into compliance with requirements Nos.  
15 4, 6 and 7 as follows:

16           Requirement No. 4 – According to Section 3.7 of the First Amendment, each lot  
17 owner must be a customer of the CCRHOA. Furthermore, according to Section  
18 5.7, each lot owner shall have one vote on all matters related to water service,  
regardless of the number of lots owned.

19           Requirement No. 6 and No. 7 – Section 3.2 of the First Amendment prohibits a  
20 change in the number of existing lots (84), either through annexation of property  
21 outside existing boundaries, the subdivision of one lot or the combination of two or  
more lots.

22           The last two conditions – Requirements Nos. 3 and No. 5, require Commission  
23 approval of the Water Company's concurrent application for a dissolution and transfer of  
24

1 assets of the Water Company, and a deletion of its CC&N. As more fully set forth in that  
2 particular application, the public interest will be served by allowing the Water Company  
3 to transfer its assets to the CCRHOA.

4 **RELIEF REQUESTED**

5 Applicant respectfully requests the following relief:

6 A. That the Commission consider and proceed to act upon this application, as  
7 well as the Water Company's application, in a timely manner and schedule a hearing;

8 B. That upon completion of a hearing, the Commission enter an order deleting  
9 the Water Company's CC&N, and granting the CCRHOA status as not a public service  
10 corporation, based on the following conditions: (1) that the CCRHOA record the First  
11 Amendment within 30 days of any order, with written notice to the Commission  
12 thereafter; and (2) that the CCRHOA dissolve and transfer the water utility assets of the  
13 Water Company pursuant to A.R.S. § 10-1041 *et seq.*; and

14 C. That the Commission grant such other and further relief to the CCRHOA as  
15 may be appropriate under the circumstances herein.

**APPLICATION FOR APPROVAL OF  
ASSIGNMENT AND TRANSFER OF  
WATER UTILITY ASSETS TO CROSS  
CREEK RANCH COMMUNITY  
ASSOCIATION, PURSUANT TO  
A.R.S. § 40-285(A), AND FOR  
CANCELLATION OF ITS  
CERTIFICATE OF CONVENIENCE  
AND NECESSITY**

16  
17 In conformance with A.R.S. § 40-285(A), Cross Creek Ranch Water Company (the  
18 "Water Company") hereby submits this Application for Approval of the Transfer of Water  
19 Utility Assets pursuant to A.R.S. § 10-1402, to its sole shareholder, the Cross Creek  
20 Ranch Community Association (the "CCRHOA"), and for the cancellation of the Water  
21 Company's Certificate of Convenience and Necessity ("CC&N") ("Application"). This  
22 Application is being filed concurrently with the CCRHOA's Application for Adjudication  
23 Not a Public Service Corporation. Approval of these two applications by the Arizona  
24 Corporation Commission ("Commission") will terminate the Water Company's public  
25 service function, and authorize the CCRHOA to provide its members with domestic water  
26 service directly.

1       **I. Summary of Transaction.**

2           The Water Company proposes to transfer its assets to the CCRHOA pursuant to  
3       A.R.S. § 10-1402, which is a dissolution statute that allows a corporation to, among other  
4       things, transfer all its assets to its shareholders. On June 26, 2008, the Water Company's  
5       Board of Directors issued a Joint Consent to Resolutions (without a meeting)  
6       recommending that: (1) the corporation be liquidated and dissolved pursuant to a plan of  
7       liquidation, upon approval by the Commission; (2) the corporation be dissolved on the  
8       effective date of its Articles of Dissolution, after being filed with the Commission by a  
9       corporate officer; (3) an officer of the corporation file necessary documents required by  
10      Internal Revenue Code of 1986, as amended, related to Treasury Regulations and Arizona  
11      law; (4) the Water Company surrender all franchises and privileges – in particular its  
12      Certificate of Convenience and Necessity – in accordance with the laws of the State of  
13      Arizona; (5) upon ascertaining that all liabilities of the Water Company have been  
14      satisfied, to distribute the remaining assets to the sole shareholder, CCRHOA; and (6) an  
15      officer of the Water Company do all things necessary to effectuate the liquidation and  
16      dissolution in accordance with the resolution ("Resolution"). A copy of the Resolution is  
17      attached hereto as Exhibit 1. Copies of the proposed Articles of Dissolution, Assignment  
18      of Assets and Tax Clearance application are attached hereto as Exhibit 2.

19           As set forth in the Resolution, the Water Company's liquidation and dissolution  
20      plan will be subject to Commission approval pursuant to A.R.S. § 40-285(A). Upon the  
21      Commission's approval of the dissolution plan and Assignment of Assets in conjunction  
22      with the CCRHOA's application for an adjudication that it is not a public service  
23      corporation, the water system assets will be transferred to the CCHROA so that it can  
24      provide water utility service directly to its members.

25       **II. The Parties.**

26           The Water Company is a public service corporation providing water service to

1 approximately 14 customers in Yavapai County, pursuant to a CC&N granted by the  
2 Commission in Decision No. 65978 (June 17, 2003). However, because the Water  
3 Company has under 15 interconnected customers at this time, the water system does not  
4 have a Public Water System designation, and is not subject to the rules and regulations of  
5 the Arizona Department of Environmental Quality ("ADEQ"). Nonetheless, the Water  
6 Company's operator, Burnett Enterprises, Inc., has performed monthly coliform tests to  
7 ensure water quality. During the initial operating phase of the water system, chlorination  
8 treatment was necessary on one occasion. Attached hereto as Exhibit 3 are Drinking  
9 Water Microbial Analysis Reports conducted by ADEQ showing the one failed test, and  
10 subsequent remedial action. In addition to these reports, testing of water quality showed  
11 that the arsenic content is .008 mcl, which is below the maximum allowance of .01 mcl.

12 A copy of the Water Company's 2007 Annual Report is attached hereto as  
13 Exhibit 4. Burnett Enterprises' ADEQ operator number is 02794. In addition, the  
14 following operator numbers were subcontracted to pull samples: 19970, 19971, and  
15 19972.

20 The CCRHOA is an Arizona non-profit corporation incorporated on August 13,  
21 2002. The CCRHOA provides wastewater service to its members in accordance with all  
22 ADEQ rules and regulations. The Commission determined in Decision No. 65978 that  
23 because the wastewater system would be operated as a non-profit corporation, it was not  
24 subject to Commission jurisdiction. Decision No. 65978 at ¶13 (June 17, 2003). As the  
25 sole shareholder of the Water Company, the CCRHOA effectively provides water utility  
26 service to its members through management of the Water Company.

1     **III.   Standard of Review.**

2             According to A.R.S. § 40-285(A), a public service corporation may not sell or  
3     otherwise dispose of the whole or part of its system necessary or useful in the  
4     performance of its duties to the public without first having secured from the Commission  
5     an order authorizing the transaction. In this case, the Water Company's Board of  
6     Directors have determined by corporate resolution that the most efficient way to transfer  
7     the water utility assets to the sole shareholder is by dissolution pursuant to A.R.S. § 10-  
8     1042.

9     **IV.   The Transaction Is in the Public Interest.**

10            Approving the Assignment of Assets by corporate dissolution, as well as the  
11    cancellation of the Water Company's CC&N, will serve the public interest. The  
12    CCRHOA already provides service to its members indirectly through the Water Company.  
13    However, because the rates and charges are fixed based on an assumption that 84  
14    customers would be served by the system, the Water Company continues to operate at a  
15    loss due to the low number of actual customers. As a non-profit organization, the  
16    CCRHOA does not seek to earn a rate of return on an investment, or make profit as a  
17    shareholder. The CCRHOA's only interest is to provide its members with water service at  
18    cost. Therefore, the CCRHOA's ability to flexibly manage its affairs with respect to  
19    water service, which primarily involves recovering costs to operate and maintain the  
20    system on a proportionate basis, is consistent with the policy established by the  
21    Commission in Decision No. 55568 (May 17, 1987), as more fully addressed in the  
22    CCRHOA application filed concurrently with this Application.

23                                   **RELIEF REQUESTED**

24            WHEREFORE, the Water Company respectfully requests that the Commission  
25    provide the following relief:

26            A.    Issue an Order approving the Water Company's Resolution to transfer its

1 water utility assets to its sole shareholder, the CCRHOA, through corporate dissolution;

2 B. Extinguish the CC&N currently held by the Water Company; and

3 C. Any other relief that the Commission determines will serve the public  
4 interest.

Re: Domestic Water Service

Dear Association Member:

On February 23, 2007, the Board of Directors of the Cross Creek Ranch Community Association, an Arizona non-profit corporation (the "Association") voted in favor of moving forward with efforts to acquire title to the water facilities providing domestic water to its members. These facilities are currently owned by Cross Creek Ranch Water Company ("Water Company"), which is a public service corporation established and regulated by the Arizona Corporation Commission ("ACC") pursuant to Decision No. 65978 (June 17, 2003). The Water Company is a for-profit corporation, and its rates and charges are regulated by the ACC.

Because the Association is the sole shareholder of the Water Company, the Board felt that dissolving the Water Company and providing domestic water service directly to association members (as it does wastewater utility service) will reduce expenses. Under Arizona law, a homeowners association is authorized to provide water utility service directly to its members provided that certain conditions are met. The Board does not plan to change any aspect of water utility operations, and will employ the same Arizona Department of Environmental Quality ("ADEQ") certified operator to run the system and ensure water quality standards are met. However, the rate design for domestic water service will be modified to ensure enough revenue to run and operate the water system, with no element of "profit" or a regulated "rate of return" that the Water Company would otherwise seek to recover from association members.

In order to acquire title to the water facilities owned by the Water Company, the Association must obtain approval from the ACC for a transfer of assets, and deletion of the Water Company's certificate of convenience and necessity ("CC&N"). Its CC&N currently authorizes the Water Company to be the exclusive water provider for the Cross Creek Ranch subdivision. Furthermore, the ACC will require that certain safeguards be included in the Declaration of Conditions, Covenants and Restrictions for Cross Creek Ranch recorded on July 1, 2003 at Yavapai County Recorder's Instrument No. 359928 in Book 4047, Page 427 ("CC&Rs") to ensure, among other things, that all members have equal voting rights with respect to the water system, and that the number of members does not increase from the original number included in the original plat design. In short, these ACC safeguards are designed to ensure that the water system is truly private.

The Board has retained legal counsel to modify the CC&Rs, as well as represent both the Association and Water Company in proceedings before the ACC to effectuate the transfer and changes discussed herein. However, before the Association can continue, it must first modify the CC&Rs to conform to ACC requirements. These modifications require approval from at least seventy-five percent (75%) of the members.

Enclosed with this letter is a copy of the proposed modifications, to be voted upon by the general membership at a special meeting called by the Board on May 15, 2008 at 10:00 a.m. at the Sedona Public Library, 3250 White Bear Road, Sedona, Arizona 86336. If you are unable to attend the Special Meeting, pursuant to A.R.S. Section 33-1812, we have also enclosed an absentee ballot for you to complete and return to the Secretary of the Board no later than May 8, 2008. It is important that at least seventy-five percent (75%) of the members either attend the Special Meeting in person or return the completed absentee ballot so that the CC&Rs may be amended.

If the Association receives the required number of favorable votes to modify the CC&Rs as proposed, then it shall move forward with an application for ACC approval to transfer the water assets and delete of the Water Company's CC&N. There are 84 members, so the proposed CC&R modifications will require 63 favorable votes. However, the Board does not intend to make the changes effective (by recording with the county) until after the ACC approves the requisite applications.

Also enclosed herein is a formal petition to file an application with the ACC for an adjudication that the Association is not a public service corporation. The ACC requires support by at least fifty-one percent (51%) of the association members before it will even consider an application.

At the Special Meeting the Board will establish a quorum based on those present in person and by proxy. The Board will then call for a vote to amend the CC&Rs in the form enclosed. Again, all members are encouraged to either attend the Special Meeting or return their executed absentee ballots to the Secretary no later than May 8, 2008. Once the members have voted to approve the amendments to the CC&Rs and the ACC has approves the requisite applications, the amended CC&Rs will then be recorded in the Official Records of Yavapai County, Arizona and will be effective upon recording.

Should you have any specific questions, please do not hesitate to contact Ed Hanley, Board Member at 928-300-7000, or Paul Frieder, HOAMCO representative at 928-282-4479. Thank you for your prompt attention to this matter.

Sincerely,

Declarant and the Association shall not be obligated to maintain the Project Water Features and/or the Armijo Ditch in the size, level or formation as originally contemplated where forces of nature, governmental requirements, approved development plans or the operation of flood control and drainage devices prohibit or otherwise render such maintenance of the Project Water Features and the Armijo Ditch unreasonable or burdensome for environmental, flood and drainage control, economic or other reasons, as determined by the Declarant in its sole discretion, until the Declarant no longer owns any Lot or other property within the Project, and thereafter, by the Association.

**2.8 Release.** Each Owner, Lessee and Resident, on behalf of its family members, invitees and licensees, hereby releases the Declarant Parties and the Association from any and all claims, actions, suits, demands, causes of action, losses, damages or liabilities (Including strict liability) related to or arising in connection with any nuisance, inconvenience, disturbance, injury (Including death) or damage resulting from activities or occurrences described in Sections 2.4 through 2.7 of this Declaration.

Except as set forth on the Plat, the Association will not exercise its rights pursuant to this Section through Building Envelopes on Meadows Lots without the consent of the affected Lot Owner. All irrigation facilities within Irrigation Easement Areas shall be maintained by the Association as an Area of Association Responsibility. Each Owner of a Lot, a portion of which is encumbered by an Irrigation Easement, acknowledges and agrees that (i) no Improvements shall be installed within the Irrigation Easement Area except as installed by the Association or as approved by the Architectural Review Committee, and (ii) no actions will be taken or allowed by any such Owner that may damage or otherwise adversely affect any Improvements within the Irrigation Easement Areas.

**4.11 Armijo Ditch Easement.** The "Armijo Ditch Easement" has been granted to the Association over portions of certain Lots, as shown on the Plat (the "Armijo Ditch Easement Area"), for the purpose of providing access to the Armijo Ditch to enable the Association to maintain the Armijo Ditch and appurtenant facilities, including a pump station. The Armijo Ditch Easement Area shall be operated, maintained and repaired by the Association as an Area of Association Responsibility. Each Owner of a Lot encumbered by the Armijo Ditch Easement acknowledges and agrees that (i) no Improvements shall be installed within the Armijo Ditch Easement Area except as installed by the Association or as approved by the Architectural Review Committee, and (ii) no actions will be taken or allowed by any such Owner that may damage or pollute the Armijo Ditch.

**4.12 Trail Easement.** A "Trail Easement" has been granted to the Association, Lot Owners and their guests and invitees over portions of certain Lots, as shown on the Plat (the "Trail Easement Area") for the purpose of pedestrian use. The Trail Easement Area shall be maintained by the Association as an Area of Association Responsibility. Each Owner of a Lot encumbered by a Trail Easement acknowledges and agrees that (i) no Improvements shall be constructed or installed within the Trail Easement Area except as installed by the Association or as approved by the Architectural Review Committee, and (ii) no actions will be taken or allowed by any such Owner that may damage the Trail Easement Area or any adjacent property, including Oak Creek, Red Rock State Park and the Coconino National Forest.

**4.13 Easement for Access to Oak Creek.** Pursuant to Agreement dated February 21, 1956, and Recorded on March 5, 1956 in Book 70, pages 80-81, the Creek is subject to an easement in favor of the Owners and owners of residential property north of the Project for the purposes of recreation and other uses consistent with the enjoyment of residential and agricultural property bordering a stream (the "Creek Easement"). To the extent that the Creek may flow upon and across certain Lots from time to time, portions of which Lots may also be encumbered by the Trail Easement, persons other than Owners, Lessees and Residents and their guests and invitees may be entitled to use portions of such Lots for the purposes intended under the Creek Easement.

## ARTICLE 5

### THE ASSOCIATION; ORGANIZATION; MEMBERSHIP AND VOTING RIGHTS

**5.1 Formation of Association.** The Association shall be a nonprofit Arizona corporation charged with the duties and invested with the powers prescribed by law and set forth in the Articles, Bylaws, and this Declaration.

**5.2 Board of Directors and Officers.** The affairs of the Association shall be conducted by the Board and such officers as the Board may elect or appoint in accordance with the Articles and the Bylaws. Until the Transition Date, the directors of the Association shall be appointed by and may be removed by the Declarant. After the Transition Date, directors shall be elected by the Members in accordance with the Articles and Bylaws. Unless the Project Documents specifically require the vote or written consent of the Members, approvals or actions to be given or taken by the Association shall be valid if given or taken by the Board. The Board shall have the power to levy reasonable fines against an Owner for a violation of the Project Documents by the Owner, a Lessee of the Owner or by any Resident of the Owner's Lot, and to

impose late charges for payment of such fines if such fines remain unpaid fifteen (15) or more days after the due date, provided that the late charge shall not exceed the greater of fifteen dollars (\$15.00) or ten percent (10%) of the amount of the unpaid fine, or such greater amount as permitted under applicable law. Notwithstanding the foregoing, to the extent applicable law from time to time (i) provides for any shorter period of time after which fines may or shall become delinquent, such shorter period of time may be established by the Board to apply in lieu of the time period set forth in this Section, and (ii) provides for an increased amount to be charged as a late charge for fines, such amount may be modified by the Board to apply in lieu of the late charge set forth in this Section.

**5.3 The Association Rules.** The Board may, from time to time, adopt, amend and repeal rules and regulations pertaining to: (i) the management, operation and use of the Areas of Association Responsibility, Including any recreational facilities situated upon the Areas of Association Responsibility and the use of the Sewer System; (ii) minimum standards for any maintenance of Lots; (iii) the health, safety or welfare of the Owners, Lessees and Residents, or (iv) restrictions on the use of Lots. In the event of any conflict or inconsistency between the provisions of this Declaration and the Association Rules, the provisions of this Declaration shall prevail. The Association Rules shall be enforceable in the same manner and to the same extent as the covenants, conditions and restrictions set forth in this Declaration.

**5.4 Personal Liability.** No member of the Board or of any committee of the Association, no officer of the Association, and no manager or other employee of the Association shall be personally liable to any Member, or to any other Person, Including the Association, for any damage, loss or prejudice suffered or claimed on account of any act, omission, error, or negligence of the Association, the Board, the manager, any representative or employee of the Association, or any committee member or officer of the Association; provided, however, the limitations set forth in this Section shall not apply to any person who has failed to act in good faith or has engaged in willful or intentional misconduct.

**5.5 Implied Rights.** The Association may exercise any right or privilege given to the Association expressly by the Project Documents and every other right or privilege reasonably to be implied from the existence of any right or privilege given to the Association by the Project Documents or reasonably necessary to effectuate any such right or privilege.

**5.6 Identity of Members.** Membership in the Association shall be limited to (i) the Declarant and (ii) the Owners of Lots (Including Builders) which are Assessable Property. An Owner of a Lot which is Assessable Property shall automatically, upon becoming the Owner thereof, be a Member of the Association and shall remain a Member of the Association until such time as his ownership ceases for any reason, at which time his Membership in the Association shall automatically cease. Membership in the Association shall be appurtenant to each Lot owned by the Declarant and each Lot which is Assessable Property and may not be separately assigned, transferred or conveyed.

**5.7 Classes of Members and Voting Rights.** No Members other than the Declarant shall have any voting rights until the Transition Date. After the Transition Date, the Association shall have the following two classes of voting Memberships:

(i) Class A. Class A Memberships shall be all Memberships except for the Class B Memberships held by the Declarant and each Owner shall be entitled to one vote for each Class A Membership held by such Owner.

(ii) Class B. Class B Memberships shall be all Memberships held by the Declarant. The Declarant shall be entitled to three (3) votes for each Membership held by the Declarant. The Class B Memberships shall expire when the Declarant no longer owns any property within the Project.

**5.8 Voting Procedures.** No change in the ownership of a Lot shall be effective for voting purposes unless and until the Board is given actual written notice of such change and is provided satisfactory proof thereof. The vote or votes for each such Lot must be cast as a unit, and fractional votes shall not be allowed. In the event that a Lot is owned by more than one person or entity and such Owners are unable to agree among themselves as to how their vote or votes shall be cast, they shall lose their right to vote on the matter in question. If any Member casts a vote or votes representing a certain Lot, it will thereafter be conclusively presumed for all purposes that he was acting with the authority and consent of all other Owners of the same Lot unless objection thereto is made at the time the vote is cast.

**5.9 Transfer of Membership.** The rights and obligations of any Member other than the Declarant shall not be assigned, transferred, pledged, conveyed or alienated in any way except upon transfer of ownership of an Owner's Lot, and then only to the transferee of ownership to the Lot. A transfer of ownership to a Lot may be effected by deed, intestate succession, testamentary disposition, foreclosure of a mortgage of record, or such other legal process as now in effect or as may hereafter be established under or pursuant to the laws of the State of Arizona. Any attempt to make a prohibited transfer shall be void. Any transfer of ownership to a Lot shall operate to transfer the Membership appurtenant to said Lot to the new Owner thereof. Each Purchaser of a Lot shall notify the Association of such purchase within ten (10) days after becoming the Owner of a Lot.

**5.10 Architectural Review Committee.** The Association shall have an Architectural Review Committee to perform the functions of the Architectural Review Committee set forth in this Declaration. The Architectural Review Committee shall consist of such number of regular members and alternate members as may be provided for in the Bylaws. So long as the Declarant is a Member of the Association, the Declarant shall have the sole right to appoint and remove the members of the Architectural Review Committee. At such time as the Declarant no longer is a Member of the Association, the members of the Architectural Review Committee shall be appointed by the Board. The Declarant may at any time voluntarily surrender its right to appoint and remove the members of the Architectural Review Committee, and in that event the Declarant may require, for so long as the Declarant is a Member of the Association, that specified actions of the Architectural Review Committee, as described in a recorded instrument executed by the be approved by the Declarant before they become effective. The Architectural Review Committee may adopt, amend and repeal architectural guidelines, standards and procedures to be used in rendering its decisions. Such guidelines, standards and procedures may include provisions regarding: (i) architectural design, with particular regard to the harmony of the design with the surrounding structures and topography; (ii) placement of Residential Units and other buildings; (iii) landscaping design, content and conformance with the character of the Property and

permitted and prohibited plants; (iv) requirements concerning exterior color schemes, exterior finishes and materials; (v) signage; and (vi) perimeter and screen wall design and appearance. The decision of the Architectural Review Committee shall be final on all matters submitted to it pursuant to this Declaration.

**5.11 Conveyance or Encumbrance of Common Area.** Except as set forth in this Section 5.11, the Common Area shall not be mortgaged, transferred, dedicated or encumbered without the prior written consent or affirmative vote of Owners representing at least two-thirds (2/3) of the votes entitled to be cast by Members of the Association. The Board shall have the right to change the size, shape or location of the Common Area upon (i) adoption of a resolution by the Board stating that in the Board's opinion the change proposed shall not substantially adversely affect the Residents and Owners, and (ii) the approval of such resolution by Declarant as long as the Declarant owns any property within the Project. The Declarant, so long as the Declarant owns any property within the Project, and thereafter the Board, without obtaining the approval or consent of any other Owner, may grant easements over or convey portions of the Common Area:

- (i) to the State of Arizona, Yavapai County or any other governmental or quasi-governmental authority;
- (ii) to a trust or private entity for the purpose of nature conservancy;
- (iii) to any Person for the purpose of correcting areas of unintentional encroachment;
- (iv) to a domestic water service entity (including the Water Company) for the purpose of providing to the Owners and Residents domestic water service;
- (v) to a wastewater improvement entity for the purpose of providing to the Owners and Residents a centralized sewage collection and treatment system; and
- (vi) to any Person so long as such conveyance or easement shall not have a material adverse affect on the Members and Residents.

Any such conveyances or granting of easements may reserve to the Association and its Members any rights, privileges and duties determined by the Declarant or the Board, whichever is applicable, to be appropriate for the enjoyment and use of the Property.

**5.12 Suspension of Voting Rights.** If any Owner fails to pay any Assessments or other amounts due to the Association under the Project Documents within fifteen (15) days after such payment is due or if any Owner violates any other provision of the Project Documents and such violation is not cured within fifteen (15) days after the Association notifies the Owner of the violation, the Board of Directors shall have the right to suspend such Owner's right to vote until such time as all payments, including interest and attorneys' fees, are brought current, and until any other infractions or violations of the Project Documents are corrected.

**5.13 Procedure for Change of Use of Common Area.** Upon (a) adoption of a resolution by the Board stating that in the Board's opinion the then present use of a designated

part of the Common Area is no longer in the best interests of the Members and Residents, and (b) the approval of such resolution by Declarant as long as the Declarant owns any property within the Project, the Board shall have the power and right to change the use of such property (and in connection therewith, construct, reconstruct, alter or change the buildings, structures and Improvements thereon in any manner deemed necessary by the Board to accommodate the new use), provided such new use (i) shall be for the benefit of the Members and Residents, as determined by the Board, and (ii) shall be consistent with any deed restrictions, zoning and other governmental regulations restricting or limiting the use of the land.

**5.14 Contracts with Others for Performance of Association's Duties.** Subject to the restrictions and limitations contained herein, the Association may enter into contracts and transactions with others, including Declarant and its affiliated companies, and such contracts or transactions shall not be invalidated or in any way affected by the fact that one or more directors or officers of the Association or members of any committee are employed by or otherwise connected with Declarant or its affiliates, provided that the fact of such interest shall be disclosed or known to the other directors acting upon such contract or transaction, and provided further that the transaction or contract is fair and reasonable. Any such director, officer or committee member may be counted in determining the existence of a quorum at any meeting of the Board or committee of which such person is a member which shall authorize any contract or transaction described above or grant or deny any approval sought by Declarant, its affiliated companies or any competitor thereof and may vote at the meeting to authorize any such contract, transaction or approval with like force and effect as if he were not so interested.

## **ARTICLE 6**

### **COVENANT FOR ASSESSMENTS AND CREATION OF LIEN**

**6.1 Creation of Lien and Personal Obligation of Assessments.** Each Owner, other than the Declarant (except as provided in Section 6.5 of this Declaration), by becoming the Owner of a Lot, is deemed to covenant and agree to pay Assessments to the Association in accordance with this Declaration. All Assessments shall be established and collected as provided in this Declaration. The Assessments, together with interest, late charges and all costs, including reasonable attorneys' fees, incurred by the Association in collecting or attempting to collect delinquent Assessments, whether or not suit is filed, shall be a charge on the Lot and shall be a continuing lien upon the Lot against which each such Assessment is made. Each Assessment, together with interest and all costs, including reasonable attorneys' fees, incurred by the Association in collecting or attempting to collect delinquent Assessments, whether or not suit is filed, shall also be the personal obligation of the person who was the Owner of the Lot at the time when the Assessment became due. The personal obligation for delinquent Assessments shall not pass to the successors in title of the Owner unless expressly assumed by them.

#### **6.2 Annual Assessments.**

**6.2.1** In order to provide for the operation and management of the Association and to provide funds for the Association to pay all Common Expenses and to perform its duties and obligations under the Project Documents, including the establishment of replacement and maintenance reserves, the Board, for each Assessment Period, shall assess against each Lot which is Assessable Property an Annual Assessment, which shall be allocated to each Lot in

accordance with Section 6.3 below. The total amount to be assessed against the Lots as an Annual Assessment shall be the amount which is reasonably estimated by the Board to produce income to the Association equal to the total budgeted Common Expenses taking into account other sources of funds available to the Association.

**6.2.2** The Board shall give notice of the Annual Assessment to each Owner at least thirty (30) days prior to the beginning of each Assessment Period, but the failure to give such notice shall not affect the validity of the Annual Assessment established by the Board nor relieve any Owner from its obligation to pay the Annual Assessment. If the Board determines during any Assessment Period that the funds budgeted for that Assessment Period are, or will, become inadequate to meet all Common Expenses for any reason, including nonpayment of Assessments by Members, it may increase the Annual Assessment, to the extent permitted by law, for that Assessment Period and the revised Annual Assessment shall commence on the date designated by the Board. Notwithstanding any provision in the Declaration, Bylaws or Association Rules, the Board shall not impose an Annual Assessment in any Assessment Period in excess of that amount permitted by law; however, to the extent that the law shall permit any increase in the Annual Assessment which requires the approval of the majority of Members, such increase shall be implemented only upon approval of the majority of Members.

**6.3 Rate of Assessment.** The amount of the Annual Assessment for each Lot owned by Class A Members shall be the amount obtained by dividing the total budget of the Association contemplated upon completion of the Project by the total number of Lots in the Project.

**6.4 Obligation of Declarant for Deficiencies.** Until the Transition Date, Declarant shall pay and contribute to the Association, within thirty (30) days after the end of each fiscal year of the Association, or at such other times as may be requested by the Board with reasonable notice, such funds as may be necessary, when added to the Annual Assessments then collected by the Association, to pay all Common Expenses of the Association as they become due. Notwithstanding the foregoing sentence, Declarant shall not be obligated to pay to the Association pursuant to this Section any funds for the establishment of replacement and maintenance reserves. In the event that more than one Declarant owns Lots, the payment of any deficiency shall be divided between each Declarant on a prorata basis according to the number of Lots owned by each Declarant as of the date the request for such deficiency payment is made by the Board.

**6.5 Water Company Assessments.**

**6.5.1** In addition to any Water Company Operating Assessment as described in Subsection 6.5.2, the Association, as long as the Association owns one hundred percent (100%) of the stock in the Water Company, shall assess against each Lot that is Assessable Property and for which no Residential Unit has been constructed and no connection to the Water System has been established (a "Vacant Lot") a "Vacant Lot Water Company Assessment" for the purpose of providing operating and capital funds to the Water Company until such connection has been established to such Lot and a Lot Owner is paying all fees and charges of the Water Company to receive water service. The total amount to be assessed against each Vacant Lot as a Vacant Lot Water Company Assessment shall be the amount that is reasonably estimated from time to time by the Board to produce the necessary funds for the Water Company

to operate, maintain, repair and replace the Water System in accordance with all laws, rules and regulations promulgated by the applicable governmental authorities (taking into account other sources of funds available to the Water Company) divided by the number of Vacant Lots in the Project. Vacant Lot Water Company Assessments shall be collected on a monthly or quarterly basis or such other basis as may be selected by the Board. The Vacant Lot Water Company Assessment for a Lot shall cease on the first day of the month following a water connection and establishment of water service to a Lot. All Vacant Lot Water Company Assessments collected by the Association shall be paid to the Water Company for use by the Water Company as set forth in this Section.

6.5.2 In addition to the fees and charges payable by the Owners to the Association pursuant to an Vacant Lot Water Company Assessment or to the Water Company after a water connection is established, the Association, as long as the Association owns one hundred percent (100%) of the stock in the Water Company, may (but shall not be obligated to) assess against each Lot which is Assessable Property a "Water Company Operating Assessment" for the purpose of providing additional operating and capital funds to the Water Company for defraying, in whole or in part, the cost of operating the Water System and the cost of any upgrade, construction, reconstruction, repair or replacement of the Water System. The total amount to be assessed against each Lot as a Water Company Operating Assessment shall be the amount that is reasonably estimated by the Board to produce the necessary funds for the Water Company to operate, maintain, repair and replace the Water System in accordance with all laws, rules and regulations promulgated by the applicable governmental authorities (taking into account other sources of funds available to the Water Company) divided by the number of Lots owned by Class A Members. All Water Company Operating Assessments collected by the Association shall be paid to the Water Company for use by the Water Company as set forth in this Section.

6.6 Special Assessments. The Association may levy against each Lot owned by a Class A Member a Special Assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of an Improvement upon an Area of Association Responsibility, Including fixtures and personal property related thereto, provided that any Special Assessment is approved by Members having more than two-thirds (2/3) of the votes in each Class of Membership entitled to be cast by Members present in person or by proxy at a meeting duly called for such purpose.

6.7 Assessment Period. The period for which the Annual Assessment is to be levied (the "Assessment Period") shall be the calendar year, except that the first Assessment Period, and the obligation of the Owners to pay Assessments, shall commence upon the conveyance of the first Lot to a Purchaser and terminate on December 31 of such year. The Board in its sole discretion from time to time may change the Assessment Period.

6.8 Commencement Date of Assessment Obligation. Each Lot shall be subject to assessment upon the conveyance thereof to a Person other than Declarant.

6.9 Rules Regarding Billing and Collection Procedures. Annual Assessments shall be collected on a monthly or quarterly basis or such other basis as may be selected by the Board. Special Assessments and Water Company Assessments may be collected as specified by the

Board. The Board shall have the right to adopt rules and regulations setting forth procedures for the purpose of making Assessments and for the billing and collection of the Assessments provided that the procedures are not inconsistent with the provisions of this Declaration. The failure of the Association to send a bill to a Member shall not relieve any Member of his liability for any Assessment or charge under this Declaration, but the Assessment Lien therefor shall not be foreclosed until the Member has been given not less than thirty (30) days written notice prior to such foreclosure that the Assessment or any installation thereof is or will be due and of the amount owing. Such notice may be given at any time prior to or after delinquency of such payment. The Association shall be under no duty to refund any payments received by it even though the ownership of a Lot changes during an Assessment Period but successor Owners of Lots shall be given credit for prepayments, on a prorated basis, made by prior Owners.

**6.10 Effect of Nonpayment of Assessments; Remedies of the Association.**

**6.10.1** Any Assessment or any installment of an Assessment not paid within fifteen (15) days after the Assessment or the installment of the Assessment first became due (or such longer period of time as required by applicable law) shall be deemed delinquent and shall bear interest from the date on which such Assessment or installment of the Assessment became due at the rate of twelve percent (12%) per annum. In addition, the Board may establish a late fee, not to exceed the greater of fifteen dollars (\$15.00) or ten percent (10%) of the amount of the unpaid Assessment or installment thereof (but in no event an amount greater than permitted under applicable law), to be charged to any Owner who has not paid any Assessment, or any installment of an Assessment, within fifteen (15) days after such payment was due. Notwithstanding the foregoing, to the extent applicable law from time to time provides for any shorter period of time after which Assessments or any other amounts payable hereunder may or shall become delinquent, such shorter period of time may be established by the Board to apply in lieu of the time period set forth in this Section, and to the extent applicable law from time to time provides for any greater amount of late fee or other amount to be charged to any Owner deemed delinquent in the payment of any Assessment, or any installment of an Assessment, such greater amount may be established by the Board to apply in lieu of the late fee set forth in this Section.

**6.10.2** The Association shall have a lien on each Lot for: (i) all Assessments levied against the Lot; (ii) all interest, lien fees, late charges and other fees and charges assessed against the Lot or payable by the Owner of the Lot; (iii) all monetary penalties levied against the Owner of the Lot; (iv) all attorney fees, court costs, title report fees, costs and fees charged by any collection agency either to the Association or to an Owner and any other fees or costs incurred by the Association in attempting to collect Assessments or other amounts due to the Association by the Owner of a Lot; (v) any amounts payable to the Association pursuant to Section 7.4 or 7.5 of this Declaration; and (vi) any other amounts payable to the Association pursuant to the Project Documents. The Recording of this Declaration constitutes record notice and perfection of the Assessment Lien. The Association may, at its option, record a Notice of Lien setting forth the name of the delinquent owner as shown in the records of the Association, the legal description or street address of the Lot against which the Notice of Lien is recorded and the amount claimed to be past due as of the date of the Recording of the Notice, including interest, lien recording fees and reasonable attorneys' fees. Before recording any Notice of Lien against a Lot, the Association shall make a written demand to the defaulting Owner for payment of the delinquent Assessments and all other amounts due to the Association by such Owner. The

demand shall state the date and amount of the delinquency. Each default shall constitute a separate basis for a demand, but any number of defaults may be included within the single demand. If the delinquency is not paid within ten (10) days after delivery of the demand, the Association may proceed with Recording a Notice of Lien against the Lot. If the Association records a Notice of Lien, the Association may charge the Owner of the Lot against which the Notice of Lien is Recorded a lien fee in an amount to be set from time to time by the Board.

6.10.3 The Assessment Lien shall have priority over all liens or claims except for: (i) liens and encumbrances Recorded before the Recordation of this Declaration; (ii) tax liens for real property taxes; (iii) assessments in favor of any municipal or other governmental body; and (iv) the lien of any First Mortgage on the Lot, or as otherwise provided from time to time under applicable law. Any First Mortgagee or any other Person acquiring title or coming into possession of a Lot through foreclosure of the First Mortgage, purchase at a foreclosure sale or trustee's sale, or through any equivalent proceedings, such as, but not limited to, the taking of a deed in lieu of foreclosure shall acquire title free and clear of any claims for unpaid Assessments and charges against the Lot which became payable prior to the acquisition of such Lot by the First Mortgagee or other Person. Any Assessments and charges against the Lot which accrue prior to such sale or transfer shall remain the obligation of the defaulting Owner of the Lot.

6.10.4 The Association shall not be obligated to release the Assessment Lien as to any portion of Assessments past due until all such delinquent Assessments, interest, lien fees, monetary penalties, reasonable attorneys' fees, court costs, collection costs and all other sums payable to the Association by the Owner of the Lot have been paid in full. In no event shall such release of past due Assessments release the lien of this Declaration as to all other Assessments to become due hereunder.

6.10.5 The Association shall have the right, at its option, to enforce collection of any delinquent Assessments together with interest, lien fees, reasonable attorneys' fees and any other sums due to the Association in any manner allowed by law including: (i) bringing an action at law against the Owner personally obligated to pay the delinquent Assessments and such action may be brought without waiving the Assessment Lien securing the delinquent Assessments and (ii) bringing an action to foreclose the Assessment Lien against the Lot in the manner provided by law for the foreclosure of a realty mortgage. The Association shall have the power to bid at any foreclosure sale and to purchase, acquire, hold, lease, mortgage and convey any and all Lots purchased at such sale.

6.11 Evidence of Payment of Assessments. Upon receipt of a written request from a lienholder, Member or Person designated by a Member, to the extent required by law, the Association shall issue, or cause to be issued, within the time period required by applicable law, a statement setting forth the amount of any unpaid Assessment or other fee or charge against the Lot. The Association may impose a reasonable charge for the issuance of such statements, which charge shall be payable at the time the request for any such statement is made. Any such statement, when duly issued as herein provided, shall be conclusive and binding on the Association with respect to any matters therein stated as against any bona fide Purchaser of, or lender on, the Lot in question.

**6.12 Purposes for which Association's Funds May Be Used.** The Association shall use all funds and property collected and received by it (Including the Assessments, fees, loan proceeds, surplus funds and all funds and property received by it from any other source) solely for the purpose of (i) discharging and performing the Association's duties and obligations under the Project Documents; (ii) exercising the rights and powers granted to the Association by the Project Documents, and (iii) the common good and benefit of the Project and the Owners, Lessees and Residents, by devoting said funds and property, among other things, to the acquisition, construction, alteration, maintenance, provision and operation, by any manner or method whatsoever, of any and all land, properties, improvements, facilities, services, projects, programs, studies and systems, within or without the Project, which may be necessary, desirable or beneficial to the general common interests of the Project, the Owners, Lessees and Residents. Notwithstanding any other provision of this Declaration to the contrary, so long as there is a Class B Membership in the Association, funds of the Association may not be used for the initial construction of Improvements on the Common Area.

**6.13 Surplus Funds.** The Association shall not be obligated to spend in any year all the Assessments and other sums received by it in such year, and may carry forward as surplus any balances remaining. The Association shall not be obligated to reduce the amount of the Annual Assessment in the succeeding year if a surplus exists from a prior year, and the Association may carry forward from year to year such surplus as the Board in its discretion may determine to be desirable for the greater financial security of the Association and the accomplishment of its purposes.

**6.14 Working Capital Fund.** To ensure that the Association shall have adequate funds to meet its expenses or to purchase necessary equipment or services, each Purchaser of a Lot from the Declarant shall pay to the Association immediately upon becoming the Owner of the Lot a sum equal to one-sixth (1/6th) of the then current Annual Assessment attributable to the Lot. Funds paid to the Association pursuant to this Section may be used by the Association for payment of operating expenses or any other purpose permitted under the Project Documents. Payments made pursuant to this Section shall be nonrefundable and shall not be considered as an advance payment of any Assessments levied by the Association pursuant to this Declaration.

**6.15 Reserve Fund.** To ensure that the Association shall have adequate funds reserved for repair and replacement of the Improvements within the Common Areas, each Purchaser of a Lot shall pay to the Association immediately upon becoming the Owner of the Lot a sum equal to one-sixth (1/6th) of the then current Annual Assessment attributable to the Lot. Funds paid to the Association pursuant to this Section shall be deposited in the Reserve Account established pursuant to Section 6.16. Payments made pursuant to this Section shall be nonrefundable and shall not be considered as an advance payment of any Assessments levied by the Association pursuant to this Declaration.

**6.16 Reserves.** Each budget adopted by the Board shall include reasonable amounts as determined by the Board to be collected as reserves for the future periodic maintenance, repair or replacement of all or a portion of the Common Area. All amounts collected as reserves shall be deposited by the Board in a separate bank account (the "Reserve Account") to be held for the purposes for which they are collected and are to be segregated from and not commingled with any other funds of the Association. Such reserves shall be deemed a contribution to the capital

account of the Association by the Members. The Board shall not expend funds designated as reserve funds for any purpose other than those purposes for which they were collected. Withdrawal of funds from the Association's reserve account shall require the signatures of either (a) two (2) members of the Board, or (b) one (1) member of the Board and an officer of the Association who is not also a member of the Board. The Board shall obtain an initial reserve study and then provide updates thereto at least once every five years. The reserve study shall at a minimum include (i) identification of the major components of the Common Area which the Association is obligated to repair, replace, restore or maintain which, as of the date of the study, have a remaining useful life of less than thirty (30) years, (ii) identification of the probable remaining useful life of the identified major components as of the date of the study, (iii) an estimate of the cost of repair, replacement, restoration or maintenance of the identified major components during and at the end of their useful life, and (iv) an estimate of the total annual contribution necessary to defray the cost to repair, replace, restore or maintain the identified major components during and at the end of their useful life, after subtracting total reserve funds as of the date of the study. Provided that the Board acts in good faith in determining the amount to be collected as reserves, the Declarant Parties shall not be liable to the Association or any Member if the amount collected as reserves proves to be inadequate to pay for all required periodic maintenance, repair and replacement which was intended to be funded from reserves.

**6.17 Transfer Fee.** Each Purchaser of a Lot shall pay to the Association, or to its managing agent, if directed to do so by the Board, immediately upon becoming the Owner of the Lot, a transfer fee in such amount as is established from time to time by the Board.

## **ARTICLE 7 MAINTENANCE**

### **7.1 Areas of Association Responsibility.**

**7.1.1** The Association, or its duly delegated representative, shall manage, maintain, repair and replace the Areas of Association Responsibility, and all Improvements located thereon, including the Sewer System as set forth below in Subsections 7.1.2 through 7.1.5, except for any part of the Areas of Association Responsibility which any governmental entity is maintaining or is obligated to maintain. The Board shall be the sole judge as to the appropriate maintenance, repair and replacement of all Areas of Association Responsibility, but all Areas of Association Responsibility, and the Improvements located thereon, shall be maintained in good condition and repair at all times. No Owner, Resident or other Person shall construct or install any Improvements on the Common Area or alter, modify or remove any Improvements situated on the Common Area without the approval of the Board. No Owner, Resident or other Person shall remove, add to or modify any plants, trees, granite or other Improvements in the part of their Lot which constitutes an Area of Association Responsibility without the prior written approval of the Board. No Owner, Resident or other Person shall obstruct or interfere with the Association in the performance of the Association's maintenance, repair and replacement of the Areas of Association Responsibility, and the Improvements located thereon. The Association shall be responsible for the control, maintenance and payment of ad valorem taxes and liability insurance on the Common Area.

7.1.2 The Association shall be responsible for the operation, maintenance, repair and replacement of the Sewer System in compliance with all applicable federal, state and local laws, ordinances and regulations. The Association will advise any utility company or other entity to which the Association gives permission to make additional improvements to the Project that the services which are available under Arizona law to locate and mark underground utility lines and facilities within dedicated public rights-of-way are not available to locate the Sewer Facilities, and, therefore, a private person or entity will need to be employed for such purpose. Sewer lines and appurtenant facilities which serve only one Lot and which are located within the boundary of a Lot shall be maintained, repaired and replaced by the Owner of the Lot served.

7.1.3 The Association shall contract with qualified persons or companies to manage, operate and maintain the Sewer System. Adequate identification shall be provided by the Association for all inspectors and other authorized personnel and such persons shall identify themselves when entering any Lot for inspection purposes or inspecting the work of any contractor.

7.1.4 If the Arizona Corporation Commission attempts to exercise its jurisdiction over the Association to declare or adjudicate the Association as a public service corporation, then and in that event, the Association may, at its option, take whatever action is necessary, including the sale and disposition of all sewer related facilities and assets, to preclude the Arizona Corporation Commission's regulation of the Association.

7.1.5 If the Board determines, in its reasonable discretion, that it is in the best interest of the Owners, Lessees and Residents that the Association not provide wastewater service to the Owners, Lessees and Residents, and that any such services can better be provided by another entity, then and in that event of termination of such services by the Association, the Board shall discontinue the charges authorized pursuant to Article 6 of this Declaration with respect to the discontinued portion of the operation and maintenance of the Sewer System and any obligations of Owners, Lessees and Residents created hereunder for the benefit of the Association as to the operation or maintenance of the Sewer system are expressly assigned to the entity that will provide wastewater service.

7.2 Duty to Inspect. It shall be the duty of the Board to have the Areas of Association Responsibility inspected at least once each year.

(i) A description of the condition of the Areas of Association Responsibility, including a list of items inspected, and the status of maintenance, repair and need for replacement of all such items;

(ii) A description of all maintenance, repair and replacement planned for the ensuing fiscal year and included in the budget;

(iii) If any maintenance, repair or replacement is to be deferred, the reason for such deferral;

All buildings, Residential Units, landscaping and other Improvements shall at all times be kept in good condition and repair in accordance with the Maintenance Standard. All grass, hedges, shrubs, vines and plants of any type within a Building Envelope shall be irrigated (to the extent necessary to produce healthy plant material), mowed, trimmed and cut at regular intervals so as to be maintained in a neat and attractive manner. Trees, shrubs, vines, plants and grass within a Building Envelope which die shall be promptly removed and replaced with living foliage of like kind, unless different foliage is approved in writing by the Architectural Review Committee. No yard equipment, wood piles or storage areas may be maintained so as to be Visible From Neighboring Property or streets.

**7.3.2** Except for any portion of a Lot that has been designated as an Area of Association Responsibility, all Lots upon which no Residential Units, buildings or other structures, landscaping or Improvements have been constructed by a Lot Owner and upon which no such construction has commenced shall be maintained by the Lot Owner in a natural manner and in accordance with the Maintenance Standard and any other applicable provisions set forth in this Declaration.

**7.4** Assessment of Certain Costs of Maintenance and Repair. In the event that the need for maintenance or repair of an Area of Association Responsibility, or any Improvement situated thereon, is caused through the willful or negligent act of any Owner, his family, Lessees, guests or invitees, the cost of such maintenance or repairs shall be paid by such Owner to the Association upon demand and payment of such amounts shall be secured by the Assessment Lien.

**7.5** Improper Maintenance and Use of Lots. In the event any portion of any Lot is so maintained as to not comply with the Maintenance Standard, or as to present a public or private nuisance, or as to substantially detract from the appearance or quality of the surrounding Lots or other areas of the Project which are substantially affected thereby or related thereto, or in the event any portion of a Lot is being used in a manner which violates this Declaration; or in the event the Owner of any Lot is failing to perform any of his obligations under the Project Documents, the Board may make a finding to such effect, specifying the particular condition or conditions which exist, and pursuant thereto give notice thereof to the offending Owner that unless corrective action is taken within fourteen (14) days, the Board may cause such action to be taken at said Owner's cost. If at the expiration of said fourteen-day period of time the requisite corrective action has not been taken, the Board shall be authorized and empowered to cause such action to be taken and the cost thereof shall be paid by such Owner to the Association upon demand and payment of such amounts shall be secured by the Assessment Lien.

**7.6** Maintenance of Fences.

**7.6.1** Fences located on a Lot shall be maintained, repaired and replaced by the Owner of the Lot in strict accordance with the Maintenance Standard and with the architectural standards prescribed by the Design Guidelines.

7.6.2 Any fence which is placed on the boundary line between a Lot and an Area of Association Responsibility shall be maintained, repaired and replaced by the Owner of the Lot, except that the Association shall be responsible for the repair and maintenance of the side of the fence which faces the Area of Association Responsibility. If any such fence or portion thereof is wrought iron, the Association shall be responsible for the repair and maintenance of the entire wrought iron surface, but each Owner shall pay to the Association one-half the cost of such repair and maintenance for the portion of the fence which faces such Owner's Lot. In the event any such fence encroaches upon the Area of Association Responsibility or a Lot, an easement for such encroachment shall exist in favor of the Association or the Owner of the Lot, as the case may be.

7.7 Common Driveways. Certain Lots are subject to an "Ingress/Egress and Public Utilities Easement" in locations as shown on the Plat or in another instrument Recorded by Declarant or the Association (the "Ingress/Egress and PUE Areas"), for the purpose of providing ingress and egress between an abutting Lot and the street and also for the placement of utilities. Except as otherwise may be provided in another instrument Recorded by Declarant or the Association:

7.7.1 The prior written consent of the Architectural Review Committee shall be required for the installation of Improvements within the areas of a Lot encumbered by an Ingress/Egress and Public Utilities Easement.

7.7.2 Any portion of a driveway that is (i) constructed within an Ingress/Egress and PUE Easement Area and (ii) used by an adjoining Lot Owner for ingress and egress to such adjoining Owner's Lot shall be deemed for the purposes of this Section a common driveway;

7.7.3 The Owners of Lots served by a common driveway each shall have the right to use the common driveway; provided, however, that the use by one Owner shall not interfere with the use and enjoyment of the driveway by the other Owner;

7.7.4 The Owners of Lots served by a common driveway shall each have the right to perform any necessary maintenance and repair on or replacement of the common driveway and the cost of the maintenance, repair or replacement shall be shared equally by such Owners;

7.7.5 If a common driveway is damaged or destroyed through the act of an Owner, his agents, employees or contractors, it shall be the obligation of such Owner to rebuild and repair the common driveway without cost to the other Owner;

7.7.6 If a common driveway is damaged or destroyed by some cause other than the act of one of the adjoining Owners, his agents, Lessees, licensees, guests or family (Including ordinary wear and tear and deterioration from lapse of time), then the Owners served by the common driveway, at their joint and equal expense, shall repair or replace the driveway;

7.7.7 The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successors in title;

7.7.8 In addition to meeting the other requirements of this Declaration and of any other building code or similar regulations or ordinances, any Owner proposing to modify, make additions to or rebuild a common driveway shall first obtain the written consent of any Owner being served by the common driveway.

7.8 **Installation of Landscaping.** Except as set forth below, within ninety (90) days after the later of (i) the issuance of a certificate of occupancy for a Residential Unit, or (ii) conveyance of a Lot from the Declarant to an Owner, each Owner shall install trees, plants or other landscaping Improvements (together with any sprinkler system or drip irrigation system sufficient to adequately water the trees, plants or other landscaping Improvements) on that part of the Lot which is located between the paved area of any street(s) adjacent to the Lot and the exterior walls of the Residential Unit situated on the Lot, except for (a) any portion of such Lot which is an Area of Association Responsibility, and (b) any portion of such Lot which is outside the Building Envelope. Notwithstanding anything contained herein to the contrary, a Builder shall be obligated to install all landscaping on the Lot as set forth in (a) and (b) above prior to an Owner or Resident occupying such Residential Unit. Each Owner taking title to a Lot conveyed by a Builder understands and agrees that landscaping must be completed prior to occupancy of the Residential Unit, not within ninety (90) days thereafter. All landscaping installed by a Builder, an Owner or such Owner's contractors must be approved by the Architectural Review Committee prior to installation.

## ARTICLE 8 INSURANCE

8.1 **Scope of Coverage.** Commencing not later than the time of the first conveyance of a Lot to a Purchaser, the Association shall maintain, to the extent reasonably available, the following insurance coverage:

8.1.1 Commercial general liability insurance, including medical payments insurance, in an amount determined by the Board, but not less than \$1,000,000 per occurrence with a \$2,000,000 aggregate. Such insurance shall cover all occurrences commonly insured against for death, bodily injury and property damage arising out of or in connection with the use, ownership or maintenance of the Areas of Association Responsibility and all other portions of the Project which the Association is obligated to maintain under this Declaration, and shall also include hired automobile and non-owned automobile coverages with cost liability endorsements to cover liabilities of the Owners as a group to an Owner;

8.1.2 Property insurance on all Areas of Association Responsibility insuring against all risk of direct physical loss, insured against in an amount equal to the maximum insurable replacement value of the Areas of Association Responsibility, as determined by the Board; provided, however, that the total amount of insurance after application of any deductibles shall not be less than one hundred percent (100%) of the current replacement cost of the insured property, exclusive of land, excavations, foundations and other items normally excluded from a property policy;

8.1.3 Worker's compensation insurance to the extent necessary to meet the requirements of the laws of Arizona;

8.1.4 Directors' and officer' liability insurance in an amount not less than \$1,000,000 covering the directors and officers of the Association against claims arising out of or in connection with the administration of the Association;

8.1.5 Such other insurance as the Association shall determine from time to time to be appropriate to protect the Association or the Owners;

8.1.6 The insurance policies purchased by the Association shall, to the extent reasonably available, contain the following provisions: (i) that there shall be no subrogation with respect to the Association, its agents, servants, and employees, with respect to Owners and members of their household; (ii) no act or omission by any Owner, unless acting within the scope of his authority on behalf of the Association, will void the policy or be a condition to recovery on the policy; (iii) that the coverage afforded by such policy shall not be brought into contribution or proration with any insurance which may be purchased by Owners or their mortgagees or beneficiaries under deeds of trust; (iv) a "severability of interest" endorsement which shall preclude the insurer from denying the claim of an Owner because of the negligent acts of the Association or other Owners; (v) statement of the name of the insured as the Association; and (vi) for policies of hazard insurance, a standard mortgagee clause providing that the insurance carrier shall notify the first mortgagee named in the policy at least ten (10) days in advance of the effective date of any substantial modification, reduction or cancellation of the policy.

8.2 **Certificates of Insurance.** An insurer that has issued an insurance policy under this Article shall issue a certificate or a memorandum of insurance to the Association and, upon request, to any Owner, mortgagee or beneficiary under a deed of trust. 8.5 **Repair and Replacement of Damaged or Destroyed Property.** Any portion of the Areas of Association Responsibility which is damaged or destroyed shall be repaired or replaced promptly by the Association unless (i) repair or replacement would be illegal under any state or local health or safety statute or ordinance, or (ii) Owners representing at least eighty percent (80%) of the total authorized votes in the Association vote not to rebuild. The cost of repair or replacement in excess of insurance proceeds and reserves shall be paid by the Association. If all of the Areas of Association Responsibility are not repaired or replaced, insurance proceeds attributable to the damaged Areas of Association Responsibility shall be used

to restore the damaged area to a condition which is not in violation of any state or local health or safety statute or ordinance and the remainder of the proceeds shall either (a) be retained by the Association as an additional capital reserve, or (b) be used for payment of operating expenses of the Association if such action is approved by the affirmative vote or written consent, or any combination thereof, of Members representing more than fifty percent (50%) of the votes in the Association.

**8.6 Insurance Obtained by Owners.** The issuance of insurance policies to the Association pursuant to this Article shall not prevent an Owner from obtaining insurance for his own benefit and at his own expense covering his Lot, his personal property and providing personal liability coverage. If any insurer of the Common Areas of the Association shall require that any Owner(s) obtain and carry its own property and liability insurance coverage for such Owner's Lot, Residential Unit and personal property, Including insurance covering environmental claims resulting from an Owner's discharge of any unauthorized materials into the Sewer System or Water System or the failure of an Owner to properly maintain the sewer lines for which such Lot Owner is responsible, then such Owner(s) shall comply with said requirements.

The parties shall cooperate in good faith to attempt to cause all necessary and appropriate parties to be included in the arbitration proceeding. Subcontractors, material suppliers and other parties whose participation is reasonably necessary to afford complete relief in arbitration or who are involved in common questions of law or fact shall be included as parties in the arbitration. Subject to the limitations imposed in this Subsection 9.15.5, the arbitrator shall have the authority to try all issues, whether of fact or law.

(i) Place. The proceedings shall be heard in the county in which the Project is located.

(ii) Arbitrator. A single arbitrator shall be selected in accordance with the rules of the American Arbitration Association from panels maintained by the Association with experience in relevant real estate matters or construction. The arbitrator shall not have any relationship to the parties or interest in the Project. The parties to the Dispute shall meet to select the arbitrator within ten (10) days after service of the initial complaint on all defendants named therein.

(iii) Commencement and Timing of Proceeding. The arbitrator shall promptly commence the proceeding at the earliest convenient date in light of all of the facts and circumstances and shall conduct the proceeding without undue delay.

(iv) Pre-hearing Conferences. The arbitrator may require one or more pre-hearing conferences.

(v) Discovery. The parties shall be entitled only to limited discovery, consisting of the exchange between the parties of only the following matters: (i) witness lists; (ii) expert witness designations; (iii) expert witness reports; (iv) exhibits; (v) reports of testing or inspections of the property subject to the Dispute, including destructive or invasive testing; and (vi) trial briefs. The parties shall also be entitled to conduct further tests and inspections as provided in Subsection 9.15.2 above. Any other discovery shall be permitted by the arbitrator upon a showing of good cause or based on the mutual agreement of the parties. The arbitrator shall oversee discovery and may enforce all discovery orders in the same manner as any trial court judge.

(vi) Motions. The arbitrator shall have the power to hear and dispose of motions, including motions to dismiss, motions for judgment on the pleadings and summary judgment motions, in the same manner as a trial court judge, except the arbitrator shall also have the power to adjudicate summarily issues of fact or law including the availability of remedies, whether or not the issue adjudicated could dispose of an entire cause of action or defense.

(vii) Arbitration Award. The arbitrator's award may be enforced as provided for in the Uniform Arbitration Act, A.R.S. § 12-1501, et seq., or such similar law governing enforcement of awards in a trial court as is applicable in the jurisdiction in which the arbitration is held, or as applicable, pursuant to the Federal Arbitration Act (Title 9 of the United States Code).
